

New construction permitting process:

- Submit permit application along with:
  - Stamped plans (site, building, placement)
  - Copy of driver's license
- Copy of general contractors state license
  - Sub-contractor laborer license utilized under same permit
- Review process takes approximately two weeks.
- Once review process is approved, payment of permit is required before permit is issued.

***If you have any questions please contact the Permitting Department at 912-367-8300 or by email at [miranda@baxley.org](mailto:miranda@baxley.org).***
